JOHN D. MERCHANT, SHERIFF

Dear USDSA,

I would like to take this opportunity to express my thanks for the excellent training provided by Mike Willis and David Hinners on Saturday, December 7th at our local middle school.

The "TACTICAL ENTRY/ACTIVE SHOOTER" training was very well thought out and presented. Mike and David were very thorough and provided very realistic scenario based training that the officers can pull from if ever needed. In this day and age we like to "hope for the best and plan for the worst" and we appreciate USDSA being able to have these trainings available at no cost to the agency.

I am sure other smaller departments are in the same financial situation such as ours and with your willingness to come to us with this up to date training, I'm sure it will make a positive difference in the chance it is ever needed to be put to use.

We have been very fortunate to have hosted other training events presented by USDSA and every one has been informative, professional presented and realistic.

Thank you again for everything you do for law enforcement!!!!

Respectfully,

John D. Merchant

Brown County Sheriff
