To Whom It May Concern,

The City of Norton Police Department would like to thank the United States Deputy Sheriff Association for their generous donation of police supplies for our officers. With their help, the police department was able to receive 18 first-aid kits to help offset the old and outdated ones that are currently in our patrol vehicles. This is a very helpful tool to have in the patrol vehicles at all times, which could in turn save lives.

The second items that we received were 22 belt trauma kits for officers in the event of an active shooter or any other incident in which someone has been shot. When seconds count, the officers can look to their belt and have necessities to stop bleeding with the gauze and quick clot.

In conclusion, Chief Lane and I would like to personally thank you for the generous contributions to our department. All officers and supervisors are grateful to have these items with them on their everyday patrol.

Thank You,

Sergeant Jordan L. Baker

cc: Chief James C. Lane
