To: The United States Deputy Sheriffs' Association

It is with great thanks that we accept the equipment donated to us by the association. With it we will be able to enhance our training through the use of the Combat Sports Kicking pads and Shields. Also, a special thanks for the Z-Medica belt trauma kits for our Special Response Team. We were able to outfit twelve of our team members with them to be used during callouts and for use while they are on patrol. It is programs like this that allow us to better train and equip our Deputies. A huge thanks also goes out to Mike Willis and David Hanners. They have provided us twice now with the excellent training course on Hand-to-hand combat at no cost. We look forward to them returning in the future.
