Dear Mr. Willis,

THANK YOU on behalf of the entire City of Fairview!

The donated Emergency Belt Trauma Kits and the Preliminary Breath Testing Kit are a vital and welcomed asset to our City's Police Department and will truly benefit our officers and citizens.

Your organization has helped so many across Oklahoma and the United States and we feel very blessed to have been chosen as a recipient of your generosity.

From our City Council members, our Mayor, Vice-Mayor, and all of Fairview...we want you to know how much your efforts are appreciated. We salute you!
