TO: United States Deputy Sheriff's Association

From: Hermann Police Department

Re: PBT

Dear United States Deputy Sheriff's Association,

The Hermann Police Department would like to thank your organization for the donation of the model 500 PBT and replacement straw package.

This PBT unit will be used in our community during traffic enforcement stops of suspected alcohol impaired drivers and also school events that a PBT unit may be needed to detect the presence of alcohol in a student.

The Hermann Police Department again thanks the United States Deputy Sheriff's Organization for the free PBT and replacement straw package.

Sincerely,

Chief Marlon L. Walker
