Dear Mr. Willis:

We would like to thank you for your recent equipment donation. The equipment donated by your agency has been instrumental in the daily functions of our department. We have been constrained by our budget for the purchase of new equipment. The equipment that you have donated has been generous, and greatly appreciated. Your organization provides a great opportunity to agencies with limited funding and improve the safety and effectiveness of daily operations.

We can't describe in words how much we greatly appreciate agencies like yours who provide an opportunity to obtain the equipment needed. Your agency is doing great things. If it wasn't for agencies like this departments would have limited capabilities.

Sincerely,
Pound Police Department
