United States Deputy Sheriff's Association,

I would like to express my gratitude for your generous donation of the field trauma kits provided to the Rockingham County Sheriff's Office. The kits could potentially be useful for life saving situations involving fellow law enforcement officers or citizens wounded in critical situations. It seems all areas of public safety feel the effects of budget constraints. Any type of donation is always appreciated and used. Because of the number of kits donated, all patrol deputies were able to keep a kit in their cruiser. Once again thank you for your generosity.

Sgt. M.D. Hardesty  
Rockingham County Sheriff's Office
