

The Tazewell Police Department has received 17 emergency trauma kits thanks to a great donation made by the United States Deputy Sheriff's Association. These kits contained Swat-T tourniquet with Quick Clot Combat Gauze, rubber gloves, and CPR mask that can be used as a tool for emergency lifesaving. We would like to thank Mr. Mike Willis and the United States Deputy Sheriff's Association for their much-needed donation to the Tazewell Police Department
