

To whom it may concern,

The Thomas Police Department would like to thank the USDSA for providing us with the 2 PBT's. These PBT's have already been put to great use and will continually make our department and our town a better place. Attached you will find a photograph of myself and Chief Taylor holding our new PBT's. On behalf of myself and Chief Taylor we greatly appreciate everything you guys do.

Thank you,

Deputy Chief Nick Doe
Thomas Police Department
