RE; TRAUMA PACKS

My department and I would like to thank you and your organization for the donation of the belt trauma kits. Before they arrived some of the officers, stated they wish they had some type of med kit for the individual officer. Little did they know they were on the way. With the times the way they are and more aggression used against law enforcement, your donation was greatly appreciated and needed. The guys are wearing them and or keeping them close in their units. I can't thank you guys enough, keep up the good work.

Soon as I can get them together I'll get a picture to you guys.

Thank You,

Michael Nichols
