USDSA Mike Willis:

The Wilson County Sheriff's Office and Deputies wish to thank you and your organization for the two PBT's and straws that were recently received.

They will help us in getting impaired drivers off the roadways and make traveling safer for the citizens of Wilson County Kansas.

Once again thank you for helping us out with needed equipment and helping other agencies across the United States.

Respectfully

A handwritten signature in black ink, appearing to read 'P.M. Figgins', with a long horizontal flourish extending to the right.

Sheriff P.M. Figgins
Wilson County Sheriff's Office
