

# WOODHULL POLICE DEPARTMENT

“Service Above Self”

March 2, 2019

Mr. Willis,

On behalf of the Woodhull Police Department, I would like to extend our gratitude for the donation we received from you and the United States Deputy Sheriff's Association. Once I reached out to you, I had a quick response back confirming our equipment needs and within a couple weeks had the equipment in hand.

We received a new PBT and tubes along with two flashlights. Your generosity helps small departments like mine acquire much needed equipment and is sincerely appreciated. Thanks for everything you do. Stay Safe.

Best Wishes,  
Chad C. Hillier  
Chief of Police
